One to One Tuition- this occurred across Y5 and Y6 and was completed by May 2013. This will occur again in Spring 2014 but will involve Y3, Y4, Y5 and Y6. This involves a teacher working with an individual/small group out of school hours on a focused area of the curriculum for an hour per week for 10 weeks, plus two hours planning time. (Pupil premium focus)

SATs Boosters- this occurred in Y6 up until May 2013 and will occur again this year in Y6 until May 2014. This involves an additional teacher in class from October half term so that small group focused activities can occur so increasing progress. (Pupil Premium focus). In Y2 an additional part time Teaching Assistant is there to allow group work to occur in literacy and numeracy across the year. (Pupil Premium focus)

Additional Support Staff- in July 2012 two additional Teaching assistants were employed so that all classes across school have 100% support. As well as constant in class support this also allows all pupils in Reception, Year 1, Year 2 and Year 3 to do the Read Write phonics program as well as the Fresh Start

program in Year 5 and Year 6. (Pupil Premium focus) This is still continuing.

Music Tuition- there has been a change to the way FSM is subsidized by County which meant that those who wanted to learn a brass instrument would have to pay. The Governors agreed that school would meet this cost so that brass tuition will continue to be free for FSM children in school. We also do whole class brass and part of this cost comes from Pupil Premium money.

OAA- the Y6 residential is subsidized using this money.

Family engagement- we employ a Family Engagement Officer one day a week to promote family involvement and learning.
(Pupil Premium focus)

Curriculum Enrichment- we pay for an acrobatics teacher and a Zumba teacher once a week. We have 3 shows a year and a creative week.
