Amount of PPG received per pupil	£302
Total amount anticipated to receive	£3020

Number of pupils in reception class and FSM grant received	
Total number of pupils in reception	24
Total number of pupils eligible for FSM	12 (50%)
Amount of FSM grant received per pupil	£1320
Total amount anticipated to receive	£15840

Rationale

The Early Years Pupil Premium Grant is a Government initiative that targets extra money at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The premium is provided to support these pupils in reaching their potential. In order to meet the above requirements, Westlea Primary School (in the Early Years) will ensure that provision is made which secures the teaching and learning opportunities that meet the needs of all pupils. As part of the additional provision made for pupils who belong to vulnerable groups we will ensure that the needs of the socially disadvantaged pupils are adequately assessed and addressed through termly pupil progress meetings and data analysis. Decisions around spending of EYPP were based on initial assessments of EYPP children, analysis of successful programmes used in previous years, discussion with parents and research from the Education Endowment Foundation.

Areas for Support 2018/2019

• Targeted support across nursery linked to PSED, Speaking and listening and Maths through extended and enriched learning activities.

Targeted support in reception linked to PSED and speaking and listening
