

Class 4 Learning Menu Summer Term

Below are your topic activities for this term. Where it may be helpful, I have included some websites for you to look at. You might even like to extend your learning by looking a little bit further into one of the topics. Please upload photographs of the activities you do onto Seesaw. Keep learning and have fun!
 Remember to try and read everyday. Try out www.topmarks.co.uk for lots of great maths and English games.
 Try out Numbots or Times table Rock stars.

Science	<p>WALT: Research our Science topic of materials</p> <p>Create a double-sided page of information explaining about different kinds of materials. What are their uses? What are their properties?</p>		<p>WALT: How can you create a model a boat that can float on water.</p> <p>Think about what materials you have in the house that would be suitable? Is it waterproof? Will it float in your bath or sink?</p> <p>Challenge: Can it float with some figures inside?</p>
History	<p>WALT: Interview (perhaps over the phone) an older person in your family about what they did when they went on holiday.</p> <p>A good idea would be to write down some questions you may want to ask about holidays in the past.</p> <p>Where did you go on holiday? What activities did you take part in while on holiday? How did you travel on holiday?</p>		<p>WALT: Find out about the George Elmy lifeboat in Seaham.</p> <p>Research the name George Elmy linked to Seaham. What is this about? Find out the facts of the events of that day.</p> <p>Challenge: Create a timeline of what happened.</p>
Geography	<p>WALT: Use map skills to draw a part of Seaham, Use a key for the map</p> <p>Create a map of a part of Seaham that you enjoy visiting. Perhaps the sea front or the Red Star park. What points of interest would go on your map? Are there any buildings nearby that need to be mentioned? Is there any special physical features that should be drawn in? (e.g. stream, woodland, beach)</p>		
Art	<p>WALT: Develop drawing skills</p> <p>Choose some tropical fish to draw and create an underwater picture.</p>	<p>WALT: Create a seaside sculpture!</p> <p>Visit the beach and select pebble, shells, sea glass or flotsam to create a seaside sculpture. Take a photo of the sculpture and post on Seesaw</p>	<p>Get performing!</p> <p>WALT: Perform a story.</p> <p>Perform a story for your family or an audience of teddy bears! What time will it begin?</p>
Physical Activity	<p>WALT: To get physically active for 30minutes a day.</p> <p>Go for a walk in nature. Try skipping in your garden. Learn how to ride your bike with stabilisers. Using a bat and ball, practise keep me ups. How many can you do?</p>		<p>WALT: To keep moving with movement instructions to follow.</p> <p>Take part in an exercise routine. Body coach or cosmic yoga are great places to look for ideas.</p>
