

Music

'A high-quality music education should engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement.'

Department of Education, National Curriculum.

At Westlea our aim is to provide a music curriculum which will enable each child to reach their full potential in music, encourage children to enjoy singing, composing and performing and provide children with the opportunity to perform in front of an audience both within and outside of school.
