## No Smoking

We believe this policy relates to the following legislation:

- Health and Safety at Work 1974
- Workplace (Health, Safety and Welfare) Regulations 1992
- Management of Health and Safety at Work Regulations 1999
- Food Hygiene (England) Regulations 2005
- Food Hygiene (Northern Ireland) Regulations 2005
- Food Hygiene (Wales) Regulations 2005
- Regulatory Reform (Fire Safety) Order 2005
- Health Act 2006
- Smoking (Northern Ireland) Order 2006
- Smoke-free (Premises and Enforcement) Regulations 2006
- Smoke-free Premises (Wales) Regulations 2007
- Smoke-free (exemptions and Vehicles) Regulations 2007
- Smoke-free (Offences in Vehicles and Fixed Penalty Notices) Regulations 2007
- Smoke-free (Signs) Regulations (Northern Ireland) 2007
- Equality Act 2010
- Smoke-free (Signs) Regulations 2010

We are aware that it is illegal under the Health Act 2006 (and regulations made under the Act) to expose a person in an enclosed workplace to second-hand smoke. (Article 6 – You have the right to life and to be healthy, Article 19 – You should not be harmed and should be looked after and kept safe). Therefore, smoking is prohibited in any part of the school building, school grounds, school playing fields, on educational visits, school events and school letting events.

We believe it is our duty to discourage school personnel and pupils from smoking by highlighting the damaging effects it has on a person's health. We will provide support and advice to all smokers but we hope all school personnel will act as role models.

We will ensure that the school environment becomes smoke free and anyone found breaching this policy will face disciplinary action.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
