We encourage the involvement of parents and other members of the community to act as volunteer helpers and help to enhance the experiences of the children within this school. We recognise that when parents are involved, children do better in their education.

We work positively to promote an ethos of partnership within the school. Such involvement by parents and other members of our community will benefit the whole school community as it will enrich the curriculum.

We understand that all volunteers provide their time and commitment free of charge and we cannot expect them to commit to a regular working pattern or to a regular number of hours per week. Volunteers must understand that there is no commitment by the school to pay them for their services but will reimburse any volunteer for actual expenses incurred to be determined in a volunteer agreement.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.
